

FULL METAL SHOVEL, INC.
EXTENDED LABOR WARRANTY

The installation of your above ground pool carries a 60 day General Workmanship Warranty. This warranty covers the labor to repair and/ or the labor to replace parts, but does not cover the parts, materials or accessories of the pool, (i.e. pump, filter, and liner) as each item has its own manufacturer's warranty.

Full Metal Shovel, Inc. offers Extended Warranty Plans that will cover the labor costs needed to repair or replace defective parts, repair filter leaks, and fix damage caused by Rhino Beetles, Nut grass, or other sharp items, as well as provide the labor required to extend the General Workmanship Warranty.

**This warranty does not cover incidental costs such as water or chemicals.
